In order to reach our goal each scout will be selling a set number of tickets to their friends, family and neighbors. In addition we have dates and times set up with local businesses who are willing to allow us to set up a table outside their stores to sell additional tickets to members of the community. These sales will take place in January through March.

Why Support Cub Scout Pack 94?

The Boy Scouts of America is a nonprofit organization that was formed over 100 years ago with the goal to help youth develop academic skills, self-confidence, ethics, leadership skills, and strong values that will influence their adult lives. Cub Scout pack 94 is proud to be a member of the Boy Scouts of America based right here in New Lenox. We are a nonprofit organization open to boys in grades first through fifth. Our goal is to provide the youth within our community a safe place to grow as individuals, to learn and try new things and to give back by becoming active members of the community.

We thank you, in advance for your support.

Spaghetti Fundraiser Dinner

What happens with the money or prizes raised?

Pack 94 has almost 100 scouts and is still growing! The profits earned during this fundraiser will be used to keep scouting affordable for our families. The money will help fund some of the yearly educational activities we provide such as camping, rocket launches, robot building and rock climbing. Additionally, the money will help cover the costs of scout badges and care packages sent to our troops.

If your business is unable to sponsor us monetarily, there are additional ways to help. During the dinner we sell raffle tickets for prize baskets we assemble. Many of those prizes are donated by local businesses. Past prizes have included: teeth whitening, tires or general automotive services, spa services and gift cards to local eateries. Please consider donating any services or products you can provide.
